

Valley County Search and Rescue team members have a strong desire to help others, learn emergency search and rescue skills, and enhance the safety and enjoyment of the outdoors for all. Sound like you?

Learn how you can join our team and experience the satisfaction of volunteer service.

Our highest need this winter is for active adults who are comfortable in the mountains, with skis, snowshoes or snowmobiles. We provide ongoing training for radio communications and GPS units, as well as search and rescue techniques.

Will you answer the call-out?

For more information and an application, go to: valleycountysar.org or call Shelley Platt 634-7786.
